The programme structure offers a comprehensive coverage of themes and rigorous field engagement with the child, school and community. It comprises of three broad inter related curricular areas:-

- Core Courses - (CC) /Perspective in Education
- Curriculum and Pedagogic Studies(CPS)
- Discipline Specific Elective Courses (DSEC)
- Skill Enhancement Course (SEC)
- Enhancing Professional Capacities (EPC)/Ability Enhancement Courses(AEC)
- Internship (I) and
- Field work (FW)

All the curricular areas include theoretical inputs along with the practical work from an interdisciplinary perspective.

11. **Working Days:**

The institution shall work for minimum of thirty six hours in a week during which faculty and students concerned with the conduct of the programme shall be available for interaction, dialogue, consultation and mentoring students.

12. **Attendance:**

Every candidate must have minimum 80% attendance in theory courses and sessional Work and 90% attendance in field attachment. Every candidate should have to complete all the practical work to the satisfaction of the Head/Principal. He / She should have obtained such certificate from the Head/Principal of the institute and copy of the same to be submitted to the University by the institution on behalf of the examinee.

13. Examination Fees:

As per Sant Gadge Baba Amravati University / Maharashtra Govt. Rules.

14. **Scheme of Evaluation:**

A) For theory paper examination; there will be 20% internal marks (skill enhancement module) and 80% of marks for examination conducted by University.

B) 80% marks for University examination means theory paper.

C) 20% marks for internal assessment (S.E.M.) of core courses by the University Department/College/Institute assessment for sessional/practicum work, etc. mentioned in syllabus.

D) The institution shall have to preserve the record of the internal/S.E.M. submitted by each student for consecutive three calendar years from the date of his/her admission in the B.Ed. course.

E) The Final lesson and its Viva-voce examination will have both internal and external examiner.

F) The marks will be converted in grades and credits and finally CGPA.

G) To pass the examination a candidate must obtain at least 50% of marks in practical/internal and 40% of marks in university examination (Theory Papers) of each course/heads separately in all four semesters and aggregate of 50% marks in all.

H) A maximum of three years from the date of admission to the programme is allowed for programme completion.

I) The marks of each semester examination for the B. Ed. Course (Theory and S.E.M.) will be converted into grades.

J) Full carry on will be given because as per NCTE Regulation-2014, a candidate has to complete B.Ed. course in three years from the date of admission to the programme.

15**. Pattern of Question Paper:** There are four theory papers having weightage of 80 marks and eleven theory papers having weightage of 40 marks.

[A] For question paper of 80 marks: (20 MCQ + 60 Theory)

i) The syllabus of each semester has been divided into Five units. There will be Four MCQ on each unit Five long and Five short question answer based on each units to be attempted by candidates

ii.) 20 Questions shall be MCQ type Question One marks each MCQ five long answer type Questions (8 marks each Questions) and five questions shall be of short answer type (4 marks each) and shall have equal weightage.

iii) For every long answer or short answer question type there will be alternative choice from the same unit. However there will be no internal choice in a question.

iv). Division of marks between M.C.Q., long answer and short answer type question will be in the ratio of 20, 40 and 20.

i. The duration of theory paper of 80 marks shall be of 3 hours

[B] For question paper of 40 marks: (08 Marks MCQ+ 32 Marks Theory)

i) The Syllabus has been divided into four units. There will be two MCQ type questions on each unit, four long answers question type (05 Marks each Question) and four short answer question type (03 Marks each question).

ii) M.C.Q, Question shall be compulsory

iii) For every long answer or short answer question there will be alternative choice from the same unit. However there will be no internal choice in a question.

iv) Division of marks between MCQ, long answer and short answer type question will be in the ratio of 8,20 and 12.

v) The duration of theory paper of 40 marks shall be 2 hours

.

16. Grading System:

After adding the internal marks (maximum 20%) to external marks (maximum 80%), the marks secured by a student from maximum 100 will be converted into a letter grade. The grade points are the numerical equivalent of letter grade assigned to a student in the ten points scale as given below

Table-01

Range of Marks obtained out of 100 or Equivalent Fraction	Letter Grade	Grade Point	Description
90 -100	A+	10	Outstanding
80-89	A	9	Excellent
70-79	B+	8	Very Good
60-69	B	7	Good
55-59	C+	6	Fair
50-54	C	5	Average
Less than 50	F	0	Dropped or Fail

17. Calculation of Semester Grade Point Average (SGPA):

a. Performance in a semester will be expressed as Semester Grade Point Average (SGPA).

b. Cumulative performance of all the semesters together will reflect performance in the whole programme and it will be known as Cumulative Grade Point Average (CGPA). Thus CGPA is the real indicators of a student's performance.

c. The formula for calculation of SGPA and CGPA is given below:

$SGPA = \sum C_i G_i / \sum C_i$

$CGPA = (\sum\sum C_{ni} G_{ni}) / (\sum\sum C_{ni})$

Where

C_i - number of credits for the ith course,

G_i - grade point obtained in the ith course,

C_{ni} - number of credits of the ith course of the nth semester,

G_{ni} - grade points of the ith course of the nth semester

Computation of SGPA and CGPA:

The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

i. The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e

SGPA $(Si) = \Sigma(C_i \times G_i) / \Sigma C_i$

Where, Ci is the number of credits of the ith course and Gi is the grade point scored by the student in the ith course.

ii. The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.

CGPA $= \Sigma(C_i \times S_i) / \Sigma C_i$

where Si is the SGPA of the ith semester and Ci is the total number of credits in that semester.

iii. The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

iv. The final Class for B.Ed. Degree shall be awarded on the basis of CGPA.

18. Award of Degree:

The degree shall be awarded to the students on the basis of CGPA (Cumulative Grade Point Average) of the four semesters' performance in the exams.

Final Result **Table-02**

CGPA	Division
8.00 or more	First class- Exemplary
7.50 and less than or equal to 7.99	First Class with distinction
6.00 and less than or equal to 7.49	First Class
5.50 and less than or equal to 5.99	Higher Second Class
5.00 and less than or equal to 5.49	Second Class
Less than 5	Dropped or Fail

Credits and Marks:

- 01 Credit = 15 Hours for theory course
- 01 Credit = 30 Hours for practicum, internal and EPC

19. Provision of Ordinance No. 18 of 2001, relating to provide grace marks for passing in a Head of passing and improvement of Division (Higher Class) and getting Distinction in the subject and condonation of deficiency of marks in a subject in all the faculties prescribed by the Statute No. 18 and of Ordinance No. 10 relating to Exemptions and Compartments shall apply to the examinations under this ordinance.

01 Credit = 34 Hours for practicum / Internal /Sessional

A student shall be assigned a grade based on his/her combined performance in all components of evaluation scheme of a course as per the structure. The grade indicates an assessment of the student's performance and shall be associated with equivalent number called a grade point. The marks of each semester examination for the M. Ed. Course (Theory and practicum) will be converted into grades.

b) GRADING SYSTEM:

After adding the internal marks (maximum 20%) to external marks (maximum 80%), the marks secured by a student from maximum 100 will be converted into a letter grade. The grade points are the numerical equivalent of letter grade assigned to a student in the ten points scale as given below:

Table-01

Range of Marks	Letter Grade	Grade Point	Description
90 -100	A+	10	Outstanding
80-89	A	9	Excellent
70-79	B+	8	Very Good
60-69	B	7	Good
55-59	C+	6	Fair
50-54	C	5	Average
Less than 50	F	0	Dropped or Fail

Calculation of Semester Grade Point Average (SGPA):

1. Performance in a semester will be expressed as Semester Grade Point Average (SGPA).
2. Cumulative performance of all the semesters together will reflect performance in the whole programme and it will be known as Cumulative Grade Point Average (CGPA). Thus CGPA is the real indicators of a student's performance.
3. The formula for calculation of SGPA and CGPA is given below:
   $SGPA = \sum C_i G_i / \sum C_i$

   $CGPA = (\sum\sum C_{ni} G_{ni}) / (\sum\sum C_{ni})$

   Where C_i - number of credits for the ith course,
   G_i - grade point obtained in the ith course,
   C_{ni} - number of credits of the ith course of the nth semester,

Computation of SGPA and CGPA:

The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

i. The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e

SGPA $(Si) = \Sigma(C_i \times G_i) / \Sigma C_i$

Where, Ci is the number of credits of the ith course and Gi is the grade point scored by the student in the ith course.

ii. The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.
CGPA $= \Sigma(C_i \times S_i) / \Sigma C_i$

where Si is the SGPA of the ith semester and Ci is the total number of credits in that semester.

iii. The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

iv. The final Class for M.Ed. Degree shall be awarded on the basis of CGPA.

15. Award of Degree: The degree shall be awarded to the students on the basis of CGPA (Cumulative Grade Point Average) of the four semesters' performance in the exams.

Final for CGPA and Division:

Table-02

CGPA	Division
8.00 or more	First class- Exemplary
7.50 and less than or equal to 7.99	First Class with distinction
6.00and less than or equal to 7.49	First Class
5.50 and less than or equal to 5.99	Higher second Class
5.00 and less than or equal to 5.49	Second Class
Less than 5	Dropped or Fail

Framework of M.Ed. (Two year course)

- The university has adopted Choice Based Credit System (CBCS) and grading system along with continuous and comprehensive evaluation.
- The curriculum comprises six broader areas:
  - **Core Courses - (CC)**
  - **Discipline Specific Elective Courses (DSEC)**

- **Open Elective Courses (OEC)**
- **Skill Enhancement Course (SEC) (Field Work)**
- **Internship and**
- **Research Project leading to dissertation (Practicum Course –PC)**

- The course curriculum is of 2200 marks, 2227 hours of work (assuming period of 60 minutes), and 88 credit points divided over four semesters. The semester-wise distribution of marks, credits, internal assessment marks and university assessment marks is briefed in the following table:
